MOVING NIEDERANWEN FORWARD TOGETHER.

Close to the people – solidarity – future-oriented

STRENGTHENING CITIZEN-CENTRED SERVICES

- Optimal access to **health services** for all residents: medical centre, prevention, physical exercise, emergency services
- **Local supply** for our fellow citizens: shopping centre, restaurants, shops and businesses
- Enhancing **communication and interaction** between the communal administration, citizens, associations, and businesses throughout the legislative period
- Ensuring the **safety** of all residents

PROMOTING LIVING TOGETHER IN SOLIDARITY

- Creation of **living space** for younger and older citizens
- Massive strengthening of **associations and voluntary work**
- Active support for all forms of peaceful **coexistence** in the sense of a community in which solidarity is lived out in everyday life
- Designing new **meeting places** to make village life more dynamic and attractive

SETTING THE COURSE FOR THE FUTURE

- Developing a **comprehensive mobility concept** for our commune including a direct connection to the tram and traffic calming measures in our villages
- Developing **modern infrastructures** to meet the demands of the future
- Consistent approach to the **energy turnaround** in our commune in conjunction with a solidarity-based cooperation policy
- Preservation of the **natural habitat** in our commune
